Co-op Peewees host Westmin Cup tourney

The eight-team Westmin Cup Peewee hockey tournament provided lots of excitement for fans this weekend, with sizeable crowds forsaking the Grey Cup game to watch Sunday's finals.

On the "A" side, Mannville lions took home the Westmin Cup with a hard-fought 5-4 win over the Two Hills Eagles. Mike Rathje was named Mannville's MVP,

while Todd Homepiuk took the honors for Two Hills.

St. Paul was victorious in the "B" event, with a 5-2 final score over Glendon. Jason Leroux was St. Paul's MVP, and Scott Kaehn was the MVP for Glendon.

Also taking part were teams from Kehewin, Vermilion, Lloydminster and Elk Point.

New owners for cable TV system

A-1 Cable Systems of Edmonton have announced their purchase of Elk Point's cable television system from Saskatoon Telecable.

The purchase will go to a hearing of the Canadian Radio-Television Telecommunications

Commission (CRTC) on December 7, with takeover anticipated in March 1988.

A-1 hopes to add The Sports Network and Much Music to their basic cable service, as well as Super Channel on a discretionary basis, soon after takeover.

WESTMIN'S 5TH ANNUAL — Peewee hockey tournament got under way Saturday morning November 28th at the AG Ross Arena, when Wayne Watmough,

Westmin's vice-president from Calgary, dropped the ceremonial puck, to start the game between Kehewin and Vermilion.

Pontiacs wheel to win over Elks

By Pat Vincent

"More skating and more discipline is expected of the team" says Elk Point coach Lorn Berg in order for his team to be competitive in the Alberta Centennial Hockey League.

The Elks outshot the Bonnyville Pontiacs in the first and third periods, 34-31 total for their A C H L game Friday, November 27, but even with strong goaltending by Mike Scott was not enough to turn back the Pontiacs.

Two goal performances by Marcel Sylvestre, Roy John (second period) and George Moore lead the Pontiacs in their 6-1 win.

Sticks which were carried above the legal limit of the shoulders during the first period could have amounted to no less than five major penalties and banishment from the game had the infractions been called. A two man refereeing system pressed into action reluctantly assessed penalties in order to keep the game marginally under control, but just barely below the simmering point, as the number of penalties in the third period summary indicates.

The Elks caught life with a goal by Byron Smyl at 13:55 of the second period with assists to Murray Cochrane and Willie Lesyk. The last

five minutes of the period and the third period were inspired hockey for the Elks until the Pontiacs wrapped up the game scoring with a goal 2:42 from the final buzzer.

If Mike Scott, between the Elk Point pipes was not the first game star (he was in my books) he would have had to stand on his head to get that recognition.

Pontiac hockey club president and general manager George Campbell laid the blame for the stick work in the first period of this game, and in general around the league, at the feet of the league officials. The league, incidentally, hands out a game misconduct for each major high sticking penalty. Campbell indicated this measure may have lead to league officials using restraint in calling this type of penalty.

The only major high sticking penalty assessed in the game came at 2:18 of the third period when Pontiacs' Glen Dutertre was tagged with the infraction. The Elks' Willie Lesyk, who was on the receiving end of the Dutertre stick, left the game in order to get stitches to repair the damage.

The Pontiacs' punishing style of play was a factor in keeping the Elks off balance for much of the game. Coach Berg admitted that the Elks were intimidated by the Pontiacs play and with lax officiating concentrated more on retaliation than sticking to hockey.

Pontiac President G. Campbell was in agreement with the assessment of the officiating, offering the comment that the officiating in every game the Pontiacs had played thus far in the A C H L season had been bad. The officials' job was made no easier Friday night, having to go with two men as a local linesman was unavailable

for the game.

The Elks will have time this week to work on their skating and their discipline in preparation for a return game with the Pontiacs in Bonnyville Friday, December 4. The Elks next home game was scheduled for Sunday, December 6 at 3:00 p.m., against the Lac La Biche Clippers, however this has been postponed due to a commercial hockey tournament and will be rescheduled at a later date.

ELK HOOFPRIENTS.... Vic Stepa left the November 27 game after the second period with an injury which may keep him out of actionElks defenseman Jeff Buck returned to active duty Friday night after having undergone the knife earlier this fall on a bad knee... the Elks took 22 minor penalties and one major penalty, the major to Murray Cochrane with 2:23 remaining in the game, which means Cochrane sits out the next league game.. The Pontiacs were assessed 19 minor penalties, 1 major, 1 misconduct and one game misconduct, the major to Glen Dutertre is an automatic suspension from the Pontiacs next league game.....

Shop Elk Point

With just over 3 weeks to go before Christmas, we are all making our lists and checking them twice, preparatory to our big shopping expeditions.

Where to shop? Well, we could go to the city--spend 4 hours driving time and a tank of gas, get trampled by crowds, and find that everything we wanted is (a) out of stock, or (b) \$5 more than at home.

We could go to neighboring towns--they aren't more than an hour away, and their prices are exactly the same, out of the very same flyers from the same store chains that we have.

Or, we could shop here at home--where we can park and walk to all our favorite stores, where we can buy the most popular toys cheaper than in the city, where identical cassette tapes are \$3 less than in a nearby

town's record stores, where they will deliver our groceries or carry them out to our car, where they care if we find what we're looking for.

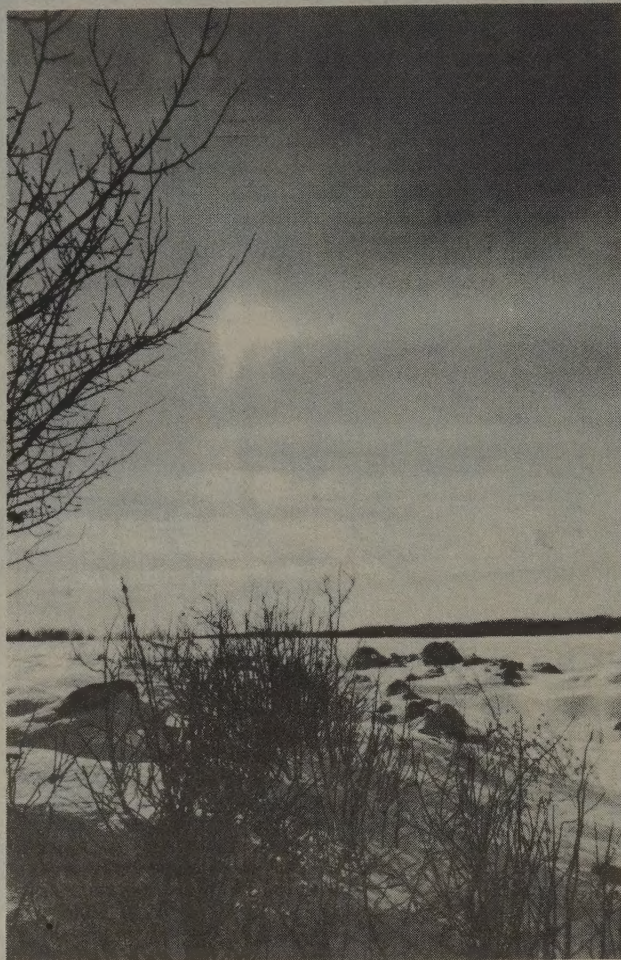

We can find attractive, unusual and useful gifts for all ages and all interests, without walking a step over 3 blocks. And if we run out of time, we can always come back tomorrow.

Our merchants have decked their halls with everything we might need, ready for our visits. These are the people who give us good service and good prices all year round--shouldn't we give them a chance to serve our Christmas shopping needs?

Shop Elk Point this Christmas--and while you're at it, pick up a few odds and ends of groceries and a little gift or two for the Santa's Anonymous barrel, won't you please?

Countdown to Year's End

By Irene Magnusson

Now that we are into December, I think it's fitting to give out a sort of summary of the past year, as I have observed it. (I have also been told that I shouldn't use the pronoun "I" when I'm writing, but rather "this writer" or "your reporter," and this habit I fear I will never acquire - as I personally take full responsibility for whatever I write).

To start with - I think it has been a lovely fall. The lack of snow or rain has not been so kind to the plants of our land, but I think the humans have enjoyed it. It's very inspiring to go to the Post Office, and meet people there who say "Isn't this weather great (or fantastic, or just grand, or etc., etc.)" instead of the other adjectives - (lousy, terrible, cold, miserable, etc., anymore). I think we all appreciate a smile on someone's face, for whatever reason.

Then there are the savings. I've only had to wash the car once all fall, and could have sneaked by without doing it at all.

That is not so good for the car-wash shop - so now we should think about keeping the salt off, and combating rust. But it is a great relief not to be worrying about getting to town - or home whenever we venture out, for the roads have been very good for so long we begin to think we deserve it.

I admit I'm not partial to dust, and hate to be trailing some half-ton with snow tires at about sundown, down my gravel road. I make dust fly, too, so must grin and bear it - but slowly.

Checking back on my Wawanes calendar, wherein I record daily weather, I see all through January "mild - mild - mild" a couple of "clearing's" and four days marked "snow". A total of .62 inches of moisture for January, 1987.

February continued mostly mild, lots of sunny, total snowfall (melted) equals .56 inches. Coldest day, Feb. 26, at minus 22 Celcius, (or 15 below zero F.) - and you know that's not cold.

March continued coolish, with a

minus 25 C., on the 8. A few snow flurries, a few rain showers, netted us .64 in. of moisture, with a thaw on the 15th, along with showers and a full moon.

I was away 10 days in early April, during which time 1.70 inches accumulated in my rain gauge. I was told there had been hail. The leaves came out before the end of the month (May 8 is about average for around here), and fields were turning black all over the place, winds were strong, grass turning green and a few showers brought the moisture for April up to 1.89 in.

Now we hit May, with 'very warm, mild', a couple of light showers, down to the 18th. Saskatoon blossoms, lilacs, maples - all were in bloom, fields seeded, some gardens in - and down came the snow, 5 to 6 inches of it, followed by very-cold-for-May minus 10 C. which killed a whole lot of tree buds, including spruce and pine, and all those lovely blossoms. We thought it had done in the raspberry crops too, but not so - they recovered to yield above average (for me, at least) but the wild berries were kaput.

Total rainfall (as measured in my government-type gauge) from May 1st, to last week of November was 5.80 inches. This, along with the snow-melt of the first four months, totals 9.51 inches, so far. We can assume a good deal of this vanished as steam as soon as it hit the ground, so we really didn't have much to grow on last year, did we?

And the crops showed it. It's amazing how well the weeds can do, on such meagre moisture supplies. I have concluded they put out twice the seeds, too, when it's hot and dry, so we can look forward to super crops of weeds next year. This fall, the strong winds further dried out the land, sweeping leaves away into the woods, and where I was foolish enough to work my garden after harvesting the soil is still loose, and would possibly be gone over to Saskatchewan by

Drive safely

With winter weather not far off, it is time to consider our driving habits, BEFORE an unexpected patch of ice sends us unceremoniously into a ditch.

Put some weight in your trunk, with your shovel and a sack of kitty litter for traction on ice. Wear (or at least take with you) warm winter clothing, including a hat with earflaps, heavy gloves or mitts, and warm boots. Take a blanket, and gasoline antifreeze.

And then, when you get out on the road, be alert to road conditions. Slow down when visibility decreases, or when you fear that the surface is icy. Drive with your lights on, especially if it's snowing, blowing, or starting to get dusk. Be prepared to drive defensively -- an oncoming driver could also hit an unexpected icy spot.

Of course, you need to remember all the other rules of safe motoring: Buckle up. Use approved child restraints. Keep within the speed limit. Designate a driver for the return trip from holiday parties. Listen to your radio for emergency weather reports.

And above all... be careful out there!

Further Education update

By Gladys Drobot
Courses are now drawing to a close before Christmas with scarf tying and chocolate making yet to go. Stocking stuffers is also a possibility but we need more names. If you are interested phone 724-4101 before December 3.
Scarf tying has 19 registrants and has been moved to December 7. Is the interest so great because it's a new course and hasn't been over used?

Fishing Lake is looking forward to courses in dancing, crocheting and Chinese cooking after Christmas. To register or to ask for other courses phone Diane Parenteau at 943-2365 or this office at 724-4101. Wednesday, December 2 will see Ron Hawkridge, D.A. from Bonnyville, speaking on Pasture Management at the Fishing Lake Community Hall at 7:30 p.m. Come and bring a friend.
For the farmers of this area!!! Tax

update.. Dec. 2 at 7:30 p.m. Jim Unterschultz, Regional Farm Economist for Alberta Agriculture, will speak on the new proposed tax reform. This course takes place at the Elks Hall in Elk Point. A Pasture Management Seminar will be held at the Centennial Senior Citizen Center in St. Paul from 9:00 a.m. to 4:00 p.m. Challenges in Bull Evaluation will be held at the Myrnam Parish Hall from 9:00 a.m. to 4:00 p.m. on January 20, 1988. On January 27 there will be a Major Beef Seminar at the Centennial Senior Citizens Center in St. Paul from 9:00 a.m. to 4:00 p.m. on Monday, February 8. For more information on these courses phone Terry or Jeff at 645-6301. Ask them what they have for you for after Christmas in the Elk Point area. They are planning some very interesting courses. I hope you will take the time to attend some of these and ask for more.

Elk Point Bullies bow to Kitscoty

By Pat Vincent

It was one of the most beautiful November days in memory for any minor hockey team to be on the road. Only a day in which recent technology would assist with the preparation of artificial ice could two minor hockey teams be afforded the opportunity to play one another.

The Elk Point Bullies, monicker for the Elk Point novice minor hockey team sponsored this year by Spruce View Simmental Farms (owned and operated by John and Ida Maksymec) were on the move - on the move to Kitscoty to play the Kitscoty novice minor hockey team.

The Bullies in their red and white

Team Canada - like sweaters and black and white Cooperalls were a team fit to be tied. As it happened it was Kitscoty who were about to do the tying.

The Bullies with a full contingent of 19 of their 23 registered members were prepared for battle with a team

possessing only half their number and no dressed goaltender. Kitscoty built up a 3 - 0 first period lead on three goals by G. Miller. The Bullies cut their lead when Matthew Vincent notched the Bullies' first goal of the game. After Kitscoty had scored to increase their lead once again to

three goals Tyler Vincent scored his first goal as a member of the Bullies with a 60 foot shoot which cut the Kitscoty lead to two goals. Miller scored his fourth goal of the game to end the scoring as Kitscoty won just a terrific game between these young opponents 5 - 2.

For the Bullies it was their second setback in as many starts, as their first clash of the season ended in a 10 - 2 loss to Bonnyville.

However, the game on Saturday, November 28 against Kitscoty was much different. Spectacular goaltending by Nathan Matthews (really a chip off the old block) kept the Bullies in the game when it appeared Kitscoty would take total command of the match.

Some great defensive play by Christopher Hancock and Craig Hutton also contributed to the Bullies showing that as a team this young group of hockey players will be a force to be reckoned with by the end of the current hockey campaign.

The Bullies entertain Kitscoty in a rematch on Saturday, December 5 at 11:00 a.m. Come on out and support minor hockey. Enjoy the most exciting and interesting hockey in town. Come on Elk Point, be BULLY on novice hockey.

GOLDEN ANNIVERSARY — Mr. and Mrs. Bill and Mary Bugera celebrating their Golden Wedding Anniversary August 1, 1987.

Golden anniversary celebrated

By J. N. Sosnowski

MYRNAM - November 9 was a very joyous occasion for Bill and Mary Bugera, of Elk Point, as they celebrated their 50 wedding anniversary.

Due to the uncertainty of the weather conditions in November, the couple decided to celebrate their golden wedding anniversary on August 1, 1987, at the Empress Family Restaurant in Elk Point.

Relatives, friends and neighbors assembled at the Empress Restaurant to help Bill and Mary Bugera celebrate.

The food was extremely appetizing and refreshments were not spared.

All marriages are happy - it's living together afterwards that's tough! Marriage is not a gift - it's an achievement and tested daily on the ability to compromise. Marriage is also giving but more important it is forgiving, and it is almost always the wife who must do these things.

Happiness is like perfume - you cannot pour on others without getting a few drops on yourself. God has blessed the honored couple with this health and happiness to enable them

to live to celebrate golden anniversary.

Bill and Mary Bugera are proud parents of five children. In addition, they are proud grandparents of fifteen grand children and three great grand children.

Before concluding, the honored couple were showered with gifts

galore which were greatly treasured and admired by Bill and Mary.

The celebration concluded with extending health and happiness to the couple so that they may still enjoy life in the years to come.

4-H multi report

By Kim Kurek

Hi! We are now gearing up for another new 4-H year. This year the Beef Club and the Multi Club (woodworking and foods) have joined together to form one club and go under the name Elk Point 4-H Multi Club. Our organizational meeting was held on Thursday, Nov. 12/87 at the F.G. Miller High School.

At the meeting we had the election of officers. The results were: Dwayne Vogel - president, Kevin Wirsta - vice-president, Megan McCuaig - secretary, Leanne Drobot - beef treasurer and Elena Drobot - multi treasurer. We decided that everyone will take a turn being club reporter. We also picked a Christmas party committee, an invitational volleyball tournament committee and a dance committee. The dance was held on Nov. 27 at the F.C.S.S. and the turnout was so-so.

There will be a 4-H Forum in Vermilion on Dec. 5 for senior members, leaders and parents.

At the end of the meeting we drew names for our Christmas party on Dec. 13. We set our next meeting for Dec. 10 at 7:30 in the F.G. Miller High School.

meeting. The roll call was to tell what your project was going to be. New project books were handed out and we were given an assignment to be done by the next meeting.

Five members, 2 leaders and 1 parent attended the Vermilion River 4-H District Kick-Off in Kitscoty on Oct. 29. Marie Belsheim gave a brief report on the Kick-Off. We extend our congratulations to the members of our club who received awards for the District Project Book Competition - Kari Barstad (Sr. Clothing); Sara Chamberlain (Jr. Foods); and Jerome Chamberlain (Sr. Foods and Sr. Beef).

Cleo Peterson and Wanetta Franklin gave an interesting presentation on "4-H Camp" which they attended in the summer.

After the general meeting the crafts group decorated banana barettes. They discussed having a meeting

on Nov. 48 at 9:00 a.m.

Glenna Ward is leader of the crafts group. Jean Franklin and Darlene Brind are assistants.

The beef club sent two teams to the grooming competition at the Stockade Roundup in Lloydminster. The members that participated are as follows: Team 1: Jr. Cleo Peterson, Sr. Jerome Chamberlain, Sr. Judy Benson. Team 2: Sr. Vincent Nelson, Jr. Curt Nelson, Sr. Sheri Noble.

The beef club's weigh day will be on Saturday, Nov. 21 at 1:00 p.m. at Doug Cooke's corrals.

At the end of the meeting lunch was provided by Sara Chamberlain and Judy Benson.

Tulliby Lake 4-H club will be holding their next meeting Wednesday, Dec. 2 at 7:30 p.m. at the Communiplex in Tulliby Lake. For more information phone 847-2112.

Saddle Slicker news

On November 17/87 we had our first meeting of the 1987/88 year.

We discussed getting jackets for the members with our club's name and have our names and our horse's names on them.

Our leaders told all the new people that are going to join, about things we did last year. We told them about the cookie drive, the speeches, making saddle stands, our horse shows and clinics and our other fun events.

We then voted on the officers and these people were elected: President - Lori Aarbo, Vice-President - Tanya Kenyon, Treasurer - Kathy Stone,

Secretary - Rayelle Aarbo, Club Reporter - Jolene Aarbo, Club Librarians - Monty Kenyon and Aaron Aarbo, Club Historian - Tanya Stone.

It was decided to have the meetings after school. Charlene Baker and Twila Kenyon volunteered to be assistant leaders. Jackie Aarbo is our group leader again.

Everyone was happy with their positions on the executive.

Our next meeting will be on Tuesday, Nov. 24 at 3:30 either at the F.C.S.S. building or at Kenyon's house.

Clandonald News

By Shirley Osinchuk

Congratulations to June and Murray Hansen of Red Deer on the birth of their son Taylor Reece, on Nov. 19. Taylor's proud grandparents are Eileen and Clifford Goad of Clandonald and Marj and Clayton Hansen of Dewberry.

This month's special event at Clandonald School was a Chocolate Chip Invention Contest for Grades 1 to 4.

Students were invited to create a new and imaginative use for chocolate chips, and prepare in advance a written proposal or drawing, or a completed project. Parents were encouraged to assist only after the student had finished the creative thinking.

The inventions included pancakes, desserts, jello, giant cookies, a decorated cone, pictures and a hang-

ing decoration, cake, and grape chocolate chip surprise popsicles. The written proposals were for a "choclitchipfloat" and a face on an egg, on a "cardboard paper rolle".

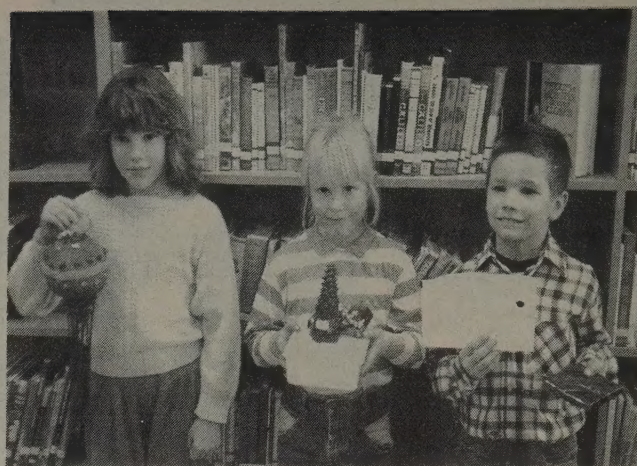

After long deliberation, and a few tastes, the judges, Eleanor Stafford and Ruby Lawrence, declared the decorated cone made by Terri Brake winner of the completed projects, with Patricia Protsch's hanging decoration receiving honourable mention, and Lyle Radesch's "choclitchipfloat" winner of the written proposals.

Next month's contest will be for the Grades 5 to 9, details to be announced soon.

We wish to express our condolences to Vera Mead and her family and friends on the passing of Rock Mead on Nov. 24.

The Christmas Craft Sale and Flea Market will be held in the Clandonald Hall on Saturday, Dec. 5, from 12 to 3 p.m. Call Loretta at 741-2167 or Pat at 853-2375 to book a table or for information.

Ladies night out a success

By Lee Johnson

The Elk Point & District Lioness would like to extend a big thank you to the people of Elk Point and surrounding area for once again helping to make our 3rd annual "Ladies' Night Out" a huge success. In particular we would like to thank the wonderful models who were patient and cheerful throughout. These glamorous ladies are: Holly Astill, Charlene Baker, June Stone, Christy Boulter, Yvonne Dunlop, Donna Gulayec, Jackie Gulayec, Terry Hebblethwaite, Katharine McCowan, Debbie Lou Huskins, Denise Kissell, Sheila Martin, Diane Wolanuk and Joanne Wolanuk. Without your good-natured assistance, our show would never have happened!

Once again, the business community demonstrated their support for our community causes by donating generously to our door prizes. A record number of prizes were distributed throughout the evening

and we have the following to thank: Rhondaray Confectionary, Double S Confectionary, Johnboy's Garden Cafe (St. Paul), Melanie Theriault (Avon), Dreamers, Merle Norman Cosmetics (Bonnyville), Empress Restaurant, Phil's Allied Hardware, Marie Buck (Mary Kay Cosmetics), J. Oryschuk Trucking, Elk Point Esso, Marks Work Warehouse, Video Point, Woody's Trophy & Gift Shop, Daphne Schnurer (Tops 'N Trends), Millie's Flowers & Crafts, Wendy's Fashions (Bonnyville), Gulf-Red Rooster, Elsie Oryschuk (Amway), ABC Cafe, Alice Yake (Avon), Seagrams, Karon Hanson (Totally Tropical Interiors), CBM Confectionary, Capital Drugs, Ellen Seward (Avon), Watsons, Co-op (Elk Point), E-Can, Idella Matthews (Aloette), Macleods, Hilltop Cafe, Stedmans, Burger Bar, MaxClar (Bonnyville & Vermilion), Dave's Pizza, Nola Lepage (Tupperware), and Wolanuks. So many of you kindly gave and thus helped add to the pleasure of the evening for so many. As always, your support is immensely appreciated!

Ladies Night Out would never be possible without volunteers. This year three ladies generously offered to help decorate the hall for us. Millie's Flowers' garlands and Christmas decorations, Woody's Trophy & Gift Shop's balloon displays along with Totally Tropical Interiors' plants from Karon Hanson were a wonderful compliment to our red and white Christmas theme.

Rilla Higgins was instrumental. In our choice for the Grand Prize of a trip for two to Las Vegas. Her advice and assistance was greatly appreciated. Another group who devoted a lot of time and effort to this special night includes all those with Prime Cut Catering who turned out a bountiful and varied display of culinary delights. While all the ladies

were enjoying a well-deserved evening off, some members of the F. G. Miller Students' Union were busy downstairs washing dishes and others were busy all evening running the sound system. Dr. Bruce Kleeberger contributed to the ambience of the evening as our M.C. and greatly helped in the evening's success.

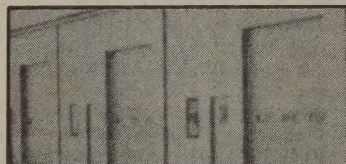

Without the following businesses contributions, Ladies' Night Out would have been very bland. I refer, of course, to those who contributed the evening's fashions for the models to wear. Stedmans, Wolanuks, Tops 'N Trends, Macleods, and Work Warehouse were our local contributors, while Wendy's Fashions and MaxClar contributed from their Bonnyville stores.

Last, but not least, the Elk Point Lioness would like to give a heartfelt thank you to those Lions and friends who selflessly gave of themselves and served as waiters and bartenders. This group of gentlemen include; Ron Johnson, Doug Bassett, Ron Croteau, Graig Stone, John Oryschuk, Albert Parris, Marshall Kachmar, Andy Mikitka, Glenn Flanders, Ian Robertson, Charlie Mahon, and Greg Alexander. Some of these men have returned each year to help us out and everyone agrees they all did an excellent job.

The ladies of the community demonstrated their appreciation of the efforts of all these volunteers by making the evening a "sellout". Their comments and suggestions have and will continue to enable us to make our future Ladies Night Out bigger and better. It is for them that we hold this special evening, and we appreciate their ideas.

We trust that we have not missed anyone in this personal thank you. As a volunteer club, we rely greatly on the support of our community and as the above demonstrates, Elk Point has truly rallied to our cause.

Red Cross region hears report

By Irene Magnusson

Members of the Elk Point and Lindbergh Branches of Red Cross gathered Saturday night, November 21, in the Further Ed Room of the FCSS building in Elk Point, to hear reports of the summer activities of the group.

Margaret Modin, Regional Chairman, called on the secretary, Iryne Buck, for minutes of the May 12 meeting. These were accepted. Violet McFadyen reported for Elk Point. The canvass had gone well, the fall Tea and Sale had gone well. She had attended the Calgary Annual convention in the spring. Articles made were fewer, but the members are fewer, too, there being only 14 presently. The banner had been carried in the Canada Day and Remembrance Day parades.

Vera Fakely, reporting for Lindbergh Branch, said 35 articles have been made to date, in the year past, and these were sent to Calgary for sale. She had attended the Red Cross craft sale at Banff, where many items were sold, created and donated by Alberta members.

McFadyen also reported there had been a fire in the area, and bedding had been supplied to the victims by Red Cross. Other bits of information included: Red Cross still does tracing of missing persons for families; that Red Cross supplies blood to 950 hospitals, all of which is very carefully handled; that they had helped during the Edmonton tornado disaster, and that the annual Convention will be held in Edmonton next year. And "We could all go to that," Modin stated. Adding that it would be a very good time for members to learn a lot about the organization - although only one would have a vote (our chosen delegate).

Pictures of the new Red Cross headquarters in Ottawa were passed around. Modin had been there last summer, and noted that it was a beautiful building, very modern and efficient, with ample office space, etc., to enable Red Cross to carry on its many commitments. Margaret Modin, who is chairman of the Red Cross Creations program for Alberta,

spent four days at the Annual Meeting in Ottawa, where the desperate conditions of some areas of the world was emphasized, and reiterated that our help is needed to save innocent lives. It was estimated, she learned, that 400,000 children die annually, of diarrhea and dehydration, who could be treated and saved at a cost of 10 cents each, in these underprivileged countries.

Funds raised by members for Red Cross is matched by the provincial government, then matched again by a federal agency, so the \$5 you give, could become \$20 by the time it is saving a life.

There have been some shifting of departments, and programs, Modin reported, and these could affect us. We will wait and see. The Strategic Planning Committee will keep us informed, through Mrs. Modin.

Only one change was made, following nominations. Hazel Hannah will take over the regional treasurer's tasks, from Niki Riemer, who has carried out these duties for twenty-four years. Iryne Buck will continue as secretary, while Violet McFadyen will carry on with the Campaign manager's tasks, as in years past.

It was noted the group have a few health kits on hand, to sew. These are given to disaster victims.

Minutes of the meeting, May 12,

when Water Safety was discussed, were read by Iryne Buck. Rates for instructors had been set, and plans made.

A complete report of the season's program was delivered by Debbie Lou Huskins, whose services had been procured to co-ordinate the program. Instructors were Darlene Kozicki, Pam Fuller and June Laboucane, as well as Mrs. Huskins. The Town of Elk Point had sponsored the program, and supplied insurance coverage.

Huskins had found the piers in very poor shape, and other items of equipment not up to her needs. She offered a list of recommended changes, and articles required, as well as a few suggestions offered by parents of the Water Safety students.

Another factor was the weather, which was not unco-operative and cool, so some kids missed days of training. However, of the 124 registered, 84 completed the program, which is commendable in the circumstances.

Sherry Young, treasurer for the Water Safety program, gave her report, and a breakdown of how funds were used. Registration fees, together with other income, covered the cost of the 1987 program.

Totals forwarded to Red Cross from Elk Point and area were: \$7,540,
